

Auto Body Technology

Tool List for Auto Body Technology

Tool vendors such as Mac, Snap-On, and others will come to NPCC at the beginning of the fall semester and offer substantial discounts on tools. You are welcome to purchase tools on your own...or, you may wait until the beginning of classes and purchase your tools through either of these vendors.

Uniforms are required for Autobody students who attend MPCC. The approximate cost for uniforms is \$300-\$350 for the first semester and \$50-\$70 for each subsequent semester the student is enrolled in Autobody classes. Please talk to the instructor if you have concerns.
